

Supervision of Students - Information for Parents

Students are not permitted in school grounds before 8.30am and must have left the school grounds by 3.45pm.

Yard duty will commence at 8.30am. A teacher is on Crossing Duty for 15 mins after school or until all students have left the school grounds; their role is to ensure students cross the road safely. The playground is not open to students after 3:20, as there is no yard duty teacher rostered on.

Information of bus arrangements (ie students from other schools will use the same bus) and that students will only be supervised while getting off the bus in the morning and while waiting and getting on the bus in the afternoon.

The Bus Duty teacher waits at the bus stop until all students have boarded buses; the last bus departs at 3:50pm.

There is a duty roster for recess and lunch duty which ensures the students are supervised at all times.

This information will be communicated to parents at the beginning of the year, reminders in school newsletter at regular intervals and in the Parent Handbook.
