**Week 10**

**School Vision - Sacred Heart School in partnership with our community and open to God's presence, we pursue fullness of life for all.**

### **Reflection - Sacred Heart Feast Day**

'Jesus' Heart is the heart of the Heart of the world, and the centre of the Centre of the Universe.' Part of our Catholic School Identity asks us to focus on the meaning of our school's name, Sacred Heart. We focus our attention to our school motto, "Where Hearts are Sacred," which means that we treat everyone in the image and likeness of God. This starts with the way we treat each other, our loved ones and the school community. From there, if we treat each other respectfully and are in right relationships, we then look after the hearts of the wider community, locally, nationally and globally.

### **Principal's Message**

The holidays are now upon us. The children and staff are well and truly ready for a break. I would like to thank the students for their hard work, which has resulted in many improvements to their skills and development. I would also like to thank the staff for their dedication to the school and the care they show to all students.

A full half year report about each child's progress has been sent home today. Class teachers have been working hard lately, writing these student reports. Please keep a look out for this progress report for your child, which will be contained in an envelope. Learning Journals will be kept at school and will be used during Parent Teacher Interviews as discussion points about student progress. Parents are always welcome to discuss their child's progress and their reports with teachers by booking a time to meet with their child's teacher.

### **Sacred Heart Feast Day Friday 28th June - St. Vincent de Paul Winter Appeal**

Our school's Feast Day was celebrated today. It is one of the most important days on the calendar at our school. We celebrated the Feast of the Sacred Heart of Jesus by having a Family Breakfast. It was great to see so many parents share breakfast at school with their family and the wider school community. All profits from the breakfast will be donated to the Winter Appeal to assist those in need. The breakfast was followed by a Whole School Liturgy at 9:30 in the Church. It was wonderful to gather as a whole school community to join us in prayer.

### **Proverbs 19:17 Whoever is kind to the poor lends to the LORD, and he will reward them for what they have done.**

Helping others who are less fortunate is part of Catholic Social Teaching, an essential part of our Catholic school's identity. We asked families to provide some non perishable food, clothes or blankets to go towards the St Vincent De Paul Winter Appeal. The goods collected for the Winter Appeal during the Liturgy will be donated to the Vinnies of Casterton.

Following the Liturgy, the children and their families were involved in an art activity, which symbolises the Sacred Heart of Jesus.

## **Advance Notice - Classroom Helpers Induction Session**

Classroom Helpers are a valued part of our school. We currently have 3 parents who actively help out in classrooms either for Maths or for Reading. Class teachers are keen to welcome more helpers into the classrooms and these could be parents, grandparents or parishioners.

How to get involved - All that is required is an active Working with Children Check card, sign the Child Safe Code of Conduct and attend a Classroom Helper Induction Session.

Classroom Helper Induction sessions will be run on **Tuesday 16th & Wednesday 17th July at 9:00am**. If you are willing to be a classroom helper but these times do not suit, contact Evan to arrange another time.

## **Working With Children Checks**

We encourage all parents to obtain a free Working With Children Check at the post office or via the following website; <https://www.workingwithchildren.vic.gov.au>

Yesterday, 4 Year 6 students presented speeches about why they would make great school captains. The speeches were well prepared and entertaining. One student included a rap about why they would make a good school captain. After the speeches were presented, students from Year 2-6 as well as the staff present voted for their preferences. All students received many votes. I am pleased to announce the School Captains for Semester 2, 2019 will be;

## Excursion - The Twits Play

Year 2 - Yesterday we went to Portland Performing Arts Centre and watched a play called The Twits. The play was based on Roald Dahl story called The Twits. I enjoyed the puppets and the characters who performed with the puppets for us. Darcy Brown

Year 3 - The Twits Review - Tuesday we went to the Portland Performing Arts Centre and watched a play called The Twits. It was based on Roald Dahl's novel, The Twits. The things I enjoyed were the voices of the actors who used the puppets and playing at the beach on the playground with my friends afterwards.  
Ylana Grigg

Year 3 - The Twits Review - Yesterday we went to Portland Performing Arts Centre and watched a play called The Twits and it was based on Roald Dahl's novel The Twits. I enjoyed every single minute of it all, but especially when Mr and Mrs Twit were playing tricks on each other. Zoe Withers

Year 3 - Yesterday we went to Portland's Performing Arts Centre and we watched TheTwits. I enjoyed every single minute of the play, especially the worm because it went into Mr Twit's mouth. Yuck! By Xavier

Year 4 - Report by Liam Withers

This week the Grade 2-6 went for a trip to Portland travelling by bus. The Grades 2-6 walked off the bus to see "The Twits" a dazzling show performed by two men. They used props to support their performance. The performance was extraordinary! A lot of it was made by an artist.

We all walked down to the park where we had lunch and play. We then hopped on the bus driving back to Casterton all of us had such a fun time

PS: I would love for the teachers to organise another trip like this please.

Year 5 - On Tuesday this week my class went to Portland to watch an act of The Twits. It was amazing! I wish the whole school was there, it was so funny. We had read the novel "The Twits" as a class so it was a terrific experience for us all. Everyone enjoyed the amazing time we had there. Afterwards we walked down to the foreshore to have lunch and a play on the playground. Later we got back on the bus to come back to our hometown Casterton. I wish it could happen again. Thank you so much teachers for organising this wonderful event. Tamsyn Black

Year 5 - My Trip To Watch The Twits

Oh boy, that was the greatest show ever! The Twits performance was great, the humor was hilarious (I thought that they were clowns in disguise) and 2 people acted it out (one was a fill in though). Everyone enjoyed it plus it was made out of recycled materials, it was environmentally friendly. I loved that it was eco friendly! I wish we could go again. By Abby Black

Year 5 - The Twits Play

It was so long on the bus, we had to be on it for one hour and fifteen minutes, but it was worth it because we watched the best play ever.

Year 6 - We calmly and quietly walked into a big cinema. It was so hard to walk in calmly and quietly though, because I was so excited about the play. As we walked in all you could see was smooth red leather seats. On the stage was pipes with some of the puppets on them.

When we were all seated two really funny men came out doing the weirdest dance you've ever seen. Then they started talking about the twits. After a few minutes the two men started to act out the play. It was the funniest hour of my life.

After the play the two men went and got changed then came back out to answer any questions we had about the play. Once we were finished we walked down to a playground near the sea. Everyone had a snack then we all got on the bus and came home. By Matilda

## **A note from the School Community Advisory Council...**

As we approach the mid year break for 2019, I would like to take this opportunity to touch base with the school community about what's been happening in the SCAC.

This year has seen quite a few reports and policies to review. From the Traffic Management Plan to the Bushfire Preparedness Policy, these policies ensure that Sacred Heart remains a safe learning environment for its students. We would like to thank Evan who works very hard to develop these policies and make sure they are implemented within the school.

We have been involved in a few fundraisers this year. The SCAC want to thank each and every parent or caregiver who contributed in any way. From donated slices and soups for District Athletics (which were flying out the door!) to those who cleaned dishes after our dinners, these volunteers allowed these fundraisers to run smoothly and successfully. We have managed to raise a good sum of money which will be used to purchase some fantastic classroom resources in term 3. Thank you again to all of those who helped.

There are a couple of things in the works for Term 3 but it will generally be a more quiet time of the year. Our SCAC meetings will continue to run and we welcome and encourage any family member to come along.

We hope you all have a wonderful break.

Colleen Koch

Chairperson, SCAC
